

TABLE X.—continued.

SPECIES.	CHALLENGER COLLECTION.			OTHER COLLECTIONS.		DEPTH IN FATHOMS.	NUMBER OF SPECIMENS.
	Locality.	Nature of the Bottom.	Station.	Locality.	Authority.		
<b>3. Caulophacinae.</b>							
1. <i>Caulophacus</i> , n. gen.							
1. <i>Caulophacus latus</i> , n. sp., . . . . .	West of the Crozet Islands, . . . . .	di. oz.	147			1600	1
2. <i>Caulophacus elegans</i> , n. sp., . . . . .	East of Yokohama, . . . . .	r. cl.	241			2300	3
2. <i>Trachycaulus</i> , n. gen.							
<i>Trachycaulus gurlittii</i> , n. sp., . . . . .	South Atlantic, . . . . .	r. cl.	280			2550	1
<b>III. Rossellidae.</b>							
1. <i>Lanuginella</i> , O. Schmidt							
<i>Lanuginella pupa</i> , O. Schmidt, . . . . .	Little Ki Island, . . . . .	bl. m.	192	St. Iago, Cape Verde Islands, . . . . .	O. Schmidt,	129-140	several
2. <i>Polylophus</i> , n. gen.							
<i>Polylophus philippinensis</i> , Gray, . . . . .	Zebu, Philippines, . . . . .		209	Zebu, Philippines, . . . . .	Gray,	95-100	many
3. <i>Rossella</i> , Carter.							
1. <i>Rossella antarctica</i> , Carter, . . . . .	Off Marion Island, . . . . .	volc. sd.	145			310	several
	Off Cumberland Bay, Ker- guelen Island, . . . . .	volc. m.	149a			120	several
	Heard Island, . . . . .	co. gr.	150			150	many
	South-east of Monte Video, . . . . .	gr. & sd.	320			600	2
				Antarctic Ocean, lat. 74'-77' S., long. 175° W., . . . . .	Carter,	206-300	
2. <i>Rossella velata</i> , Wyv. Thomson, . . . . .				Strait of Gibraltar, "Porcu- pine" Expedition, . . . . .	Wyv. Thom- son,	651	
4. <i>Acanthascus</i> , n. sp.							
1. <i>Acanthascus grossularia</i> , n. sp., . . . . .	Possession Island, Crozets, . . . . .	hd. gr.	148			210	1
2. <i>Acanthascus dubius</i> , n. sp., . . . . .	South of Puerto Bueno, Magellan Strait, . . . . .	bl. m.	310			400	1
3. <i>Acanthascus cactus</i> , n. sp., . . . . .				Sagami Bay, Japan, . . . . .	Döderlein,		1
5. <i>Bathylorus</i> , n. gen.							
1. <i>Bathylorus fimbriatus</i> , n. sp., . . . . .	North Pacific, . . . . .	r. cl.	241			2300	1
	North Pacific, . . . . .	r. cl.	248			2000	1
2. <i>Bathylorus stellatus</i> , n. sp., . . . . .	Port Grappler, Magellan Strait, . . . . .	bl. m.	307			140	1
3. <i>Bathylorus spinosus</i> , n. sp., . . . . .	West of the Crozets, . . . . .	di. oz.	147			1600	
4. <i>Bathylorus baculifer</i> , n. sp., . . . . .	South Pacific, . . . . .	r. cl.	286			2335	1
6. <i>Rhabdocalyptus</i> , n. gen.							
1. <i>Rhabdocalyptus mollis</i> , n. sp., . . . . .				Sagami Bay, Japan, . . . . .	Döderlein,		2
2. <i>Rhabdocalyptus roeperi</i> , n. sp., . . . . .	South of Puerto Bello, Magel- lan Strait, . . . . .	bl. m.	310			400	1
7. <i>Crateromorpha</i> , Gray.							
1. <i>Crateromorpha ineyeri</i> , Gray, . . . . .	Zebu, Philippines, . . . . .	bl. m.	near 209	Zebu, Philippines, . . . . .	Gray and Carter,	95	several
