| ANTIPATHINÆ— | | | | | | |
| <i>Cirripathes propinqua</i> , n. sp., . | . | . | . | x | | |
| " <i>anguina</i> , Dana, . | . | . | x | | | |
| <i>Stichopathes pourtalesi</i> , n. sp., . | . | . | x | x | x | |
| " <i>filiformis</i> (Gray), . | . | x | x | | | |
| " <i>desbonni</i> (D. and M.), . | . | x | x | | | |
| <i>Leiopathes glaberrima</i> (Esp.), M.-Edw., . | . | x | x | x | | |
| " <i>lenta</i> (Pourt.), . | . | x | x | x | | |
| <i>Antipathes dichotoma</i> , Pall., . | . | x | x | x | | |
| " <i>arborea</i> , Dana, . | . | x | x | x | | |
| " <i>fœniculacea</i> , Pall., . | . | x | x | x | | |
| " <i>mediterranea</i> , n. sp., . | . | x | x | x | | |
| <i>Antipathella subpinnata</i> (E. and S.), . | . | x | x | x | | |
| " <i>assimilis</i> , n. sp., . | . | x | x | x | | |
| " <i>speciosa</i> , n. sp., . | . | x | x | x | | |
| " <i>minor</i> , n. sp., . | . | x | x | x | | |
| " <i>contorta</i> , n. sp., . | . | x | x | x | | |
| " <i>tristis</i> (Duch.), . | . | x | x | x | | |
| " <i>paniculata</i> (Duch.), . | . | x | x | x | | |
| <i>Aphanipathes sarothamnoides</i> , n. sp., . | . | x | x | x | | |
| " <i>cancellata</i> , n. sp., . | . | x | x | x | | |
| " <i>thyroides</i> (Pourt.), . | . | x | x | x | | |
| " <i>humilis</i> (Pourt.), . | . | x | x | x | | |
| " <i>filix</i> (Pourt.), . | . | x | x | x | | |
| " <i>abietina</i> (Pourt.), . | . | x | x | x | | |
| " <i>salix</i> (Pourt.), . | . | x | x | x | | |
| " <i>eupteridea</i> (Lamx.), . | . | x | x | x | | |
| <i>Tylopaithes crispa</i> , n. sp., . | . | x | x | x | | |
| <i>Pteropathes fragilis</i> , n. sp., . | . | x | x | x | | |
| <i>Parantipathes larix</i> (Esp.), . | . | x | x | x | x | |
| " <i>tetrastricha</i> (Pourt.), . | . | x | x | x | x | |
| " <i>fernandezi</i> (Pourt.), . | . | x | x | x | x | |
| " <i>columnaris</i> (Duch.), . | . | x | x | x | x | |
| SCHIZOPATHINÆ— | | | | | | |
| <i>Schizopathes crassa</i> , n. sp., . | . | . | . | | x | |
| " <i>affinis</i> , n. sp., . | . | . | . | | x | |
| " <i>conferta</i> , n. sp., . | . | . | . | | x | |
| <i>Taxipathes recta</i> , n. sp., . | . | . | . | x | | |
| <i>Bathyopathes patula</i> , n. sp., . | . | . | . | x | | x |
| " " <i>young</i> , . | . | . | . | x | | |
| " " var. <i>plenisepina</i> , . | . | . | . | x | | |
| " <i>alternata</i> , n. sp., . | . | . | . | | x | x |
| " <i>tenuis</i> , n. sp., . | . | . | . | | x | x |
| " <i>lyra</i> , n. sp., . | . | . | . | | x | x |
| <i>Cladopathes plumosa</i> , n. sp., . | . | . | . | x | | |
